(2) Untitled memo headed "Case NO." from your unofficial Dallas source refers (page 2, part E) to one Jack B. Armstrong, allegedly contacted by LHO in Houston. Jack Armstrong is indexed to CD 385, p. 209, which we do not have; adjacent pages [redacted] concern allegations by Billy Lee (a.k.a. H.L.) Jones, who claimed to have been connected with ONI. Certain writings by Jones were given to Dallas Constables, and then to the FBI. It looks pretty nutty but we will follow it up.
